

GEDION ADMASSU

RESUME

ABOUT ME

"I am a dedicated and motivated recent graduate with a **Bachelor of Science in Electrical and Computer Engineering (Computer Engineering Focus Area)** from **Wolkite University**. Throughout my academic journey, I have developed a strong foundation in Electrical and Computer Engineering."

EDUCATION HISTORY

2005 – 2015: Cruise Primary and Secondary School, Addis Ababa, Ethiopia

2016 – 2017: Cruise Preparatory School, Addis Ababa, Ethiopia

Bachelor of Science in Electrical and Computer Engineering (Computer Engineering Focus Area)
CGPA - 3.16, Exit Exam Score - 63

Wolkite University, Year of Graduation: 2023

LANGUAGE

- English - proficient in reading, writing, and speaking.
- Amharic - Native Speaker

WORK EXPERIENCE

Junior front-end web developer

Omishtu-Joy AGTECH Engineering PLC, July 2023 - January 2024 (7 Month)

- Write codes to structure the website's layout and enhance functionality.
- Create visual elements like buttons and scrolling panels.
- Make adjustments to image size and background colors.
- Provide technical support to clients.
- Work with developers to ensure the website's viability.

CORE TECHNICAL SKILLS

Programming languages, Framework, Library & Designing tools

- HTML & CSS (Web content markup & styling languages)
- JavaScript (Scripting Language)
- Bootstrap (Framework)
- React.js (JavaScript library for building interfaces)
- GitHub (Platform for code storage, version control, and collaboration)
- Familiar with RESTful APIs (For Backend Integration)
- Figma (Figma design is for people to create, share, and test designs for websites, mobile apps, and other digital products and experiences)

RELATED INDUSTRIAL AND PROJECT EXPERIENCE

- **Projects (You can check all my projects in my GitHub account):**
 - **robofriends (Fully Responsive website)** - using mostly React.js and tachyons library
 - **my-digital id (Fully Responsive website)** - using React.js and Bootstrap library
 - **background generator (Fully Responsive website)** - using mostly HTML, CSS & JavaScript
- **Industrial Internship:** Duration 4 Months (October 2022 – January 2023 GC) at Omishtu-Joy AGTECH Engineering

PERSONAL SKILL & HOBBIES

- Communication Skill
- Problem solving skill
- Teamwork
- Leadership
- Time management
- Adaptability
- Playing musical instruments like Piano and Drums
- Voluntary activities
- Watching Movies
- Basketball and Video games

CERTIFICATES AND HONORS

Certificate for Successfully Course Completion of Front-End Web Development

Institution: Omishtu-Joy AGTECH Engineering, August 2022 - October 2022

Certificate for Successfully Completing the Arduino & Hardware Programming Course for 3 months

Institution: Omishtu-Joy AGTECH Engineering, August 2022 - October 2022

Certificate for Training in the Startup Training Program for Selected Innovative Solutions

Organized by Tesfa_Ilg Initiative Long Term Growth Program based in Switzerland in collaboration with FDRE Ministry of Innovation and Technology.

August 01 - August 05, 2022

Addis Ababa, Ethiopia

Certificate for Successful Completion of the Course Certified Network Associate (CCNA)

Given in Wolkite University Cisco

Networking Academy

30 December 2021 - 27 June 2022
